Maryam Aladsani

Brand Overview

COOP is Saudi Energy's digital COOP onboarding system, replacing a manual, paper-based trainee onboarding process with a coordinated, real-time platform. The identity reflects that shift: continuous, connected, and forward-moving.

Brand attributes: Coordinated · Clear · Efficient · Trustworthy

Brand Guidelines

02 | logotype

Arabic English

The primary version of our logotype, featuring the color-gradient symbol, is the main expression of our brand and should be used whenever possible. It is available in two languages, Arabic and English, to ensure an effective connection with all audiences.

03 | Clear space

Keep a clear space around the logo equal to the height of the letter "e".

Regular clear space Reduced clear space

04 | Logo Versions

Primary version Monochromatic version Black & white version

The logo is available in multiple versions to ensure flexibility across different applications. Do not redraw, recolor, or modify the logo.

06 | Logo Incorrect applications

To preserve brand consistency and clarity, the logo must always be used in its approved form and should not be altered, modified, or applied in any unapproved manner.

05 | Logo Color Variations

Over primary palette Over secondary palette

The logo must always maintain strong contrast and visibility across all backgrounds. Avoid placing the logo on busy or low-contrast backgrounds.

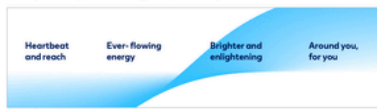

07 | Color palette

Primary palette Secondary palette Tertiary palette

09 | Key visual

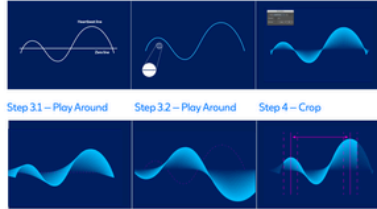

The key visual represents energy flow, continuity, and connection.

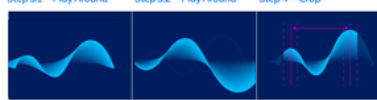

Heartbeat and reach Ever-flowing energy Brighter and enlightening Around you, for you

How to design it

Key lines Step 1 - Coloring Step 2 - Blend

Step 31 - Play Around Step 32 - Play Around Step 4 - Crop

Public External - عام (خارجي)

08 | Typography - identity font
